Dear John

Thank you for your email.

I can confirm there are no trees within 15m of the new shop.

I have measured this today with assistance of our builder and confirm there are no trees within 15m.

I can confirm I have spoken with Wendy

Today at 2:50pm and have made payment for our application in the sum of £293.00.

Please let me know if you require any further information.

Kind regards

Dear Isha

I hope you are well.

Please see attached 'invalid' letter received yesterday from the planning department.

Item 1: Please could you confirm to me in an email whether or not there are any trees within 15m of the proposals (this would include trees within 15m of the new shop WC and shop Store area and may be a tree outside of your boundary, but still within 15m). If there are no trees within 15m i will submit your email reply to the council as evidence and we will not be required to provide the 'tree report' referred to in the letter. If you are unsure i can measure any trees of concern when i am next passing by.

item 2: Please could you arrange to settle the planning fee direct to the council as outlined in the attached letter.

I look forward to hearing from you.

Kind regard

John
