Reasons for comment:	
Comments:	I am concerned that the view from my window might be blocked, also I am aware that they are going to be seating at the front where our main entrance is to the building. As it is there is a little communal garden which doesn't get looked after and we usually have people sitting there smoking drinking and making a lot of noise, so having seats at the front as well will be used by passers by and could cause issue and safety concerns for residents.

Kind regards
