Comments:

I have noted the amended plans. However, my views on this application have not altered and I stand by the comments I made on 18th December 2024.

This site is totally unsuitable for a wedding venue. A small development of housing would be far preferable (similar to those at Partridge Lands, Bolney Chapel Road, Twineham).

I would like to point out that local residents have already endured 6 years of construction of the sub station for the Rampion off shore wind farm immediately to the north of the site.
