Hi Anna

Thank you for receiving my call. As mentioned my client has requested that the proposed 1st floor ensuite to bedroom 3 is to be removed from the scope of works/planning application DM/25/0605.

The attached drawings reflect these changes and can substitute the previous corresponding drawing numbers.

I trust this will make the application, given your knowledge and history of the site, an easier application for approval on 7th May.

Many thanks
Steve
