Comments Details

Commenter Type:	Other type - not listed
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am one of 2 directors of the St Francis Park development adjacent to your proposed application. The estate objects to this on the grounds of proximity overcrowding, the interruption of the historical views enjoyed by the old period properties of the former mental asylum houses, where the applicant wants to place new houses in front of. Also, our estate will not allow sewerage or surface water

connections of this development to cross our land to get to our services.

Kind regards
