Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There are already three shops in the village and a fourth is not needed, it will cause more traffic and anti social behaviour in this village. It will have a major impact on our small independent shops who will not be able to compete with Tesco's buying power and potentially cause them to lose there business and shut down. We support local business and want them to stay and grow in our

village. We already struggle with making here and have apartments also will cause more issues.

Kind regards
