Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object on the basis that there is already a convenience store within less than a 5 minute walk away. There is also huge congestion going through Copthorne village with huge congestion around the round about. This will only add to the busy road and I strongly object this. I feel it is unacceptable to get rid of a small green space (the put garden) to put more houses!

Kind regards
