Reasons for comment:	
Comments:	The residents of Copthorne don't need another convenience store. We have 3 already! What we need is someone to invest in the pub, expand it and make it a great socialising and dining venue. There is no room for flats AND a tesco's AND a car park AND a pub garden. The planning application has not given enough parking spaces to the flats either which means more people parking on the road. I doubt you will find anyone in the village who

wants this to go ahead. I hope you consider what the local people want and need.

Kind regards
