Reasons for comment:	
Comments:	I object to further convenience stores within the village, we already have three within one village. One just meters from the proposed site. I live just a few metres away and the traffic is dangerous and horrendous, we have had multiple people hit by cars down this road. We do not need anymore traffic coming through the village. Let alone the independent business' that are going to suffer from having a big chain. The kwik mart and the

premier are sufficient in terms of giving locals what they need.
Housing makes sense if that's required but not anymore
convenience stores.

Kind regards
