Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The village does not need another convenience store. It needs a village pub that is fit for purpose. A Tescos Express will generate extra traffic on an already busy through road. The car park will not be big enough. With the pub and Tescos the parking will spill out onto the road and cause traffic obstructions. The will cause danger to pedestrians and road users.

Kind regards
