By email only

Thank you for requesting advice on this application from Place Services' ecological advice service. This service provides advice to planning officers to inform Mid Sussex District Council planning decisions with regard to potential ecological impacts from development. Any additional information, queries or comments on this advice that the applicant or other interested parties may have, must be directed to the Planning Officer who will seek further advice from us where appropriate and necessary.

Application: DM/25/0382
Location: Naldretts Farm Pookbourne Lane Sayers Common Hassocks West Sussex BN6 9HD
Proposal: Discharge of planning conditions nos 5, 7, 8, 9 and 10 relating to planning condition DM/18/1860.

Dear Stuart

Thank you for consulting Place Services on the above discharge of condition application. We can only comment on conditions related to ecology.

Holding Objection pending further information	
No ecological objections	
Recommended Approval subject to attached conditions	
Recommended Discharge of Conditions 8 and 9	Yes

Conditions

Condition 8: Recommend discharge

Prior to commencement of development, a construction environmental management plan (CEMP: Biodiversity) shall be submitted to and approved in writing by the local planning authority. The CEMP (Biodiversity) shall include the following.

- a) Risk assessment of potentially damaging construction activities.*
- b) Identification of "biodiversity protection zones".*
- c) Practical measures (both physical measures and sensitive working practices) to avoid or reduce impacts during construction (may be provided as a set of method statements).*
- d) The location and timing of sensitive works to avoid harm to biodiversity features.*
- e) The times during construction when specialist ecologists need to be present on site to oversee works.*
- f) Responsible persons and lines of communication.*

- g) The role and responsibilities on site of an ecological clerk of works (ECOW) or similarly competent person.*
- h) Use of protective fences, exclusion barriers and warning signs.*

The approved CEMP shall be adhered to and implemented throughout the construction period strictly in accordance with the approved details, unless otherwise agreed in writing by the local planning authority.

Reason: To conserve and enhance protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (Priority habitats & species) and to accord with Policy DP38 of the District Plan.

Condition 9: Recommend discharge

Prior to the commencement of any development above ground/slab level, a Biodiversity Enhancement Layout, providing the finalised details and locations of the enhancement measures contained within the Preliminary Ecological Appraisal Issue 2 (The Ecology Partnership, November 2023), and a programme of works, shall be submitted to and approved in writing by the local planning authority.

The enhancement measures shall be implemented in accordance with the approved details, including the approved programme of works, and all features shall be retained in that manner thereafter.

Reason: To enhance protected and Priority Species and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (as amended) and to accord with Policy DP38 of the District Plan

Comments

Condition 8

We have reviewed the Construction Environmental Management Plan (The Ecology Co-op, December 2024) which has been submitted in order to discharge Condition 8.

We are satisfied that the submitted information includes the detail required for this condition.

Condition 9

We have reviewed the Biodiversity Enhancement Strategy (The Ecology Co-op, December 2024) which has been submitted in order to discharge Condition 9.

We are satisfied that the submitted information includes the detail required for this condition.

Recommendation

Subject to implementation in full of the submitted details, we recommend discharge of Conditions 8 and 9.

Please contact us with any queries.

Yours sincerely,

Genevieve Broad MCIEEM MSc BSc (Hons)
