Comments Details

Comments: The Town Council notes the submission of additional BRE rule of thumb documentation. However, after scrutiny, this does not mitigate the Town Council's concerns regarding the loss of light. Therefore, the Town Council wishes to reiterate its comments submitted on 30/01/2026 as below:

The Town Council OBJECTS to this application due to the out of character and overbearing nature of the proposal extension, which it feels is an overdevelopment of the current dwelling. The Town Council has serious concerns about the loss of light and the impact of this on neighbouring properties.

Kind regards
