ARCHAEOLOGICAL ADVICE

RE: Land South And West Of Imberhorne Upper School, Imberhorne Lane, East Grinstead

The application is for Discharge of Planning Condition No: 33 (Part 1) relating to planning application DM/23/2699.

The submitted Written Scheme of Investigation (WSI) suitably outlines the methodology and archiving commitments of a scheme of archaeological trial trenching on the development site, targeted on the residential aspect of the development.

Accordingly, I recommend the discharge of Condition 33 Part 1 as it relates to the residential area of the development only (i.e. the area targeted with trial trenching within the WSI).

The remaining areas of the site (not targeted by the trial trenching within this WSI) should have Condition 33 Part 1 maintained until a suitable WSI is submitted and approved.
