Dear Daniel,

**Brookleigh, Northern Arc – Northern Arc Avenue and Diversion of Cuckfield Road (B2036) – Stage 1 Road Safety Audit ADDENDUM**

Please find enclosed the FINAL Stage 1 Road Safety Audit Addendum for the above. In addition to the problems raised within the audit report, we wish to raise the following point which was considered to be outside the scope of this road safety audit:

- Red carriageway surfacing is proposed at various locations in the scheme, such as speed limit transitions/ gateways and along the centre of the Cuckfield Road carriageway. This surfacing will constitute an ongoing maintenance issue and care should be taken to ensure that the surfacing is refreshed and maintained through the life of the scheme

If you have any queries, please do not hesitate to contact me.

Yours sincerely  
For **AECOM Limited**
