Hi Martin

Whilst I am happy with the contact number (see below), the resident has pointed out to me that the operating hours are listed as:

Operating Hours: 07:00am–19:00pm (Monday–Saturday), no public operations on Sundays

In my view this is not satisfactory as it could allow vehicle deliveries without the public present, and does not protect public holidays. I recommend the following wording:

Operating Hours: 07:00am–19:00pm (Monday–Saturday), no operations on Sundays or Public/Bank Holidays

Discharge not recommended until this is addressed.

Apologies for not picking that up first time round.

Hi Martin

I had a call from a resident about the Crawley Down Garage NMP. I had not recommended discharge as there was no contact number for residents to use. I have just had a look at it and in fact the applicants have sent in an updated version with a number – were you aware? I don't think I was updated. Anyway, it can now be discharged, in my view.

Regards
