Comments Details

Commenter Type:	Local amenity society or association
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	To whom it may concern I am writing in support of reference number DM/25/2223 relating to the change of use of the Juhring and Hobbs Field at Saint Hill Manor, Saint Hill Road, East Grinstead.

Crowborough Athletic FC, of which I am a Life Vice-President has benefited from the amazing charitable events which are held and organised at Saint Hill Manor.

The donations to my club have enabled the development and expansion of our youth section to now include girls teams at all ages. The donations specifically allowed us to increase and improve playing facilities. We have also invested in our coaches and helpers to enable them to engage with our wider community.

None of this would have been possible for us as a small Community Club without the wonderful donations received.

To enable Saint Hill Manor to continue to hold more events which raise significant charitable monies, improvements as detailed in their well-considered proposal should be approved to allow many other community organisations to benefit from their fantastic work.

Kind regards
