Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to more development in Pease Pottage/Handcross area. There is already the Woodgate development that has caused additional traffic to get to the other side of the A23. The drainage is not adequate and floods the M23 during wetter days. The area for the planned development is full of wild life which is

often seen at the side of the road in the evenings.
Planning was given to Handcross car park on the Brighton Road
for new houses that still sit empty today.
This is a village not a town and the residents want it to stay that
way.

Kind regards
