Reasons for comment:	
Comments:	The entry/exit from our Close is very near to the proposed entry/exit for this proposed site. This road is very busy and this will make it very difficult for us to exit. We have 16 houses here. It is also in close proximity to two schools and a surgery. The primary school parking is all along the road. Traffic enters at speed and we don't have a light up screen showing speed like other villages.

Just slow down. It will also put pressure on water company and other amenities.

Kind regards
