Good morning Katherine,

I am just getting in touch as the developer for DM/24/0446 (AP/24/0044) has now received their NatureSpace certificate and as such has submitted to discharge condition 19 (relating to the DL) via DM/26/1967.

I can confirm that the submission of their certificate is evidence that they have paid all outstanding compensation fees associated with this application and is sufficient in evidencing that this condition has been met.

Once the relevant discharge of condition application has been permitted, I will then authorise them to work under Mid Sussex District Council's District Licence.

Any questions please do let me know.

Best wishes,

Laura Downs (*she/her*)  
District Licensing Officer (Great Crested Newts) – West Sussex
