Reasons for comment:

Comments: Dear Sir/ Madam. I am putting in an objection to this planning application for the reasons of access to the site. The area behind the businesses in Park Parade is for access only for the businesses in Park Parade, the flats above them have no parking rights. Access has to be available at all times. If the planning was granted then the access would be restricted with regards to the construction, goods and equipment would all have to come into this area restricting the access to all the businesses in park parade.

Kind regards
