Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Please agree this change as soon as possible! I cannot for the life of me understand why this even needs to be discussed. The current surface is dreadful for all sports & causes nasty injuries. The proposed surface will be better in every conceivable way- plus it will look much nicer. I hope my children get to enjoy the new surface & this process won't take too long

Kind regards
