Reasons for comment:	
Comments:	As local residents and regular users of HH station, Sainsburys and Waitrose, we are very aware of how congested the traffic is in this part of town - and not just at peak times. There are frequently delays in approaching or leaving this area from Perrymount Road, Sidney Road and around Commercial Square. So it seems totally stupid to add to the congestion by allowing another major food store to be built in this area. As housing targets keep increasing,

surely a better use of the brownfield site would be for more dwellings - rather than building on more local green fields.

Kind regards
