REF: DM/25/3155
DATE: 9th October 2026

Dear Sir/Madam

**The Havens Sportsfield Car Park The Haven Centre Hophurst Lane Crawley Down
New/Replacement Village Hall.**

I advise that your application DM/25/3155 was **Granted Permission** on **9th October 2026**.

I enclose a copy of the Decision Notice in relation to the above application. If you are acting as an Agent please ensure that a copy is given to the applicant. **Please read the notes accompanying this decision notice carefully.**

Please also be advised that this permission does not constitute an approval under Building Regulations. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted.

Yours faithfully

Eric Owens
Interim Assistant Director Planning and Sustainable Economy

**TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015**

PERMISSION

REFERENCE: DM/25/3155

DESCRIPTION: NEW/REPLACEMENT VILLAGE HALL.

**LOCATION: THE HAVENS SPORTSFIELD CAR PARK, THE HAVEN CENTRE,
HOPHURST LANE, CRAWLEY DOWN**

DECISION DATE: 9 OCT 2026

**CASE OFFICER: KATHERINE WILLIAMS -
KATHERINE.WILLIAMS@MIDSUSSEX.GOV.UK**

The Council hereby notify you that they **GRANT** planning permission for the above development to be carried out in accordance with the submitted application and plans and subject to compliance with the following conditions:-

Conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall be carried out in accordance with the plans listed below under the heading "Plans Referred to in Consideration of this Application".

Reason: For the avoidance of doubt and in the interest of proper planning.

3. No development above ground floor slab level shall be carried out until a schedule and/or samples of materials and finishes to be used for the external walls and roofs of the proposed building have been submitted to and approved in writing by the Local Planning Authority. The works shall be carried out in accordance with the approved details unless otherwise agreed in writing with the Local Planning Authority.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a development of visual quality and to accord with Policy DP26 of the Mid Sussex District Plan, policies L2 and P3 of the NPPF.

4. No development shall commence unless and until there has been submitted to and approved in writing by the Local Planning Authority full details of both hard and soft landscaping, which shall include indications of all existing trees and hedgerows on the land, and details of those to be retained, together with measures for their protection in the course of development, plus details of replacement tree planting (size, species, maintenance and aftercare (planting, support and feeding)), and these works shall be carried out as approved. The works shall be carried out prior to the occupation of any part of the development or in accordance with the programme agreed with the Local Planning Authority. Any trees or plants which, within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reason: In the interests of visual amenity and of the environment of the development and to accord with Policies DP26 and DP37 of the Mid Sussex District Plan, and policies DP3 and N2 of the NPPF.

5. The development hereby permitted shall not commence unless and until details of the proposed foul and surface water drainage and means of disposal have been submitted to and approved in writing by the Local Planning Authority. The building shall not be occupied until all the approved drainage works have been carried out in accordance with the agreed details.

Reason: To ensure that the proposal is satisfactorily drained and to accord with the NPPF requirements and Policy DP41 of the Mid Sussex District Plan and Policy CDNP06 of the Crawley Down Neighbourhood Plan, and policies CC3 and F8 of the NPPF.

6. No development shall take place until details of the existing and proposed site levels have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in accordance with the approved details.

Reason: For the avoidance of doubt and to ensure that the development does not prejudice the amenities of adjacent residents or the appearance of the locality and to accord with Policy DP26 of the Mid Sussex District Plan and policy DP3 of the NPPF.

7. Prior to the commencement of the development a Construction Management Plan (CMP) shall be submitted to and approved in writing by the Local Planning Authority. The Construction Management Plan shall include amongst other matters details of:

o measures to control noise affecting nearby residents (in accordance with BS5228:2014 Code of practice for noise and vibration control on construction and open sites - with particular regard to the noisiest activities, typically piling, earthmoving, concreting, vibrational rollers and concrete breaking);

- o dust management plan.
- o site contact details in case of complaints.

The construction works shall thereafter be carried out at all times in accordance with the approved Construction Management Plan, unless any variations are otherwise first submitted to and approved in writing by the Local Planning Authority.

Reason: To protect the amenity of local residents from noise and dust emissions during construction and to accord with Policies DP26 and DP29 of the Mid Sussex District Plan and policies L2 and P3 of the NPPF.

8. No work for the implementation of the development hereby permitted shall be undertaken on the site on Sundays or Bank/Public Holidays or at any time other than between the hours 8am and 6pm on Mondays to Fridays and between 9am and 1pm Saturdays.

Reason: To safeguard the amenities of nearby residents and to accord with Policies DP26 and DP29 of the Mid Sussex District Plan and policies L2 and P3 of the NPPF.

9. Deliveries or collection of plant, equipment or materials for use during the construction phase shall be limited to the following times:

Monday to Friday: 08:00 - 18:00 hrs;
Saturday: 09:00 - 13:00 hrs
Sunday and Public/Bank holidays: None permitted

Reason: To protect the amenity of local residents and to accord with Policies DP26 and DP29 of the Mid Sussex District Plan and policies L2 and P3 of the NPPF.

10. The development hereby permitted shall not be brought into use until a scheme for the installation of equipment to control the emission of fumes and odour from the premises has been submitted to and approved in writing by the Local Planning Authority. The measures shall be implemented in strict accordance with the approved details prior to the occupation of the development and shall thereafter be retained as such. The submitted odour control scheme shall be in accordance with best practice, and shall include a risk assessment for odour, as well as maintenance and monitoring schedules for the odour control system, to ensure adequate control of odours, to align with the manufacturer's instructions.

Reason: to protect the amenity of neighbouring residents and to accord with Policies DP26 and DP29 of the Mid Sussex District Plan and policies L2 and P3 of the NPPF.

11. All mitigation measures and/or works shall be carried out in accordance with the details contained in the amended Ground Level Tree Assessment (JWK Wildlife Surveys, August 2026), as already submitted with the planning application and agreed in principle with the local planning authority prior to determination.

This may include the appointment of an appropriately competent person e.g. an ecological clerk of works (ECoW) to provide on-site ecological expertise during construction. The appointed person shall undertake all activities, and works shall be carried out, in accordance with the approved details.

Reason: To conserve protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations, policy DP38 of the Mid Sussex District Plan and policy N2 of the NPPF.

12. Prior to any works above slab level, a Biodiversity Enhancement Strategy for protected, Priority and threatened species, prepared by a suitably qualified ecologist, shall be submitted to and approved in writing by the local planning authority.

The content of the Biodiversity Enhancement Strategy shall include the following:

- a) Purpose and conservation objectives for the proposed enhancement measures;
- b) detailed designs or product descriptions to achieve stated objectives;
- c) locations of proposed enhancement measures by appropriate maps and plans (where relevant);
- d) persons responsible for implementing the enhancement measures; and
- e) details of initial aftercare and long-term maintenance (where relevant).

The works shall be implemented in accordance with the approved details shall be retained in that manner thereafter.

Reason: To enhance protected, Priority and threatened species and allow the LPA to discharge its duties under s40 of the NERC Act 2006 (as amended), policy DP38 of the Mid Sussex District Plan and policy N2 of the NPPF.

13. Prior to occupation, a "lighting design strategy for biodiversity" in accordance with Guidance Note 08/23 (Institute of Lighting Professionals) shall be submitted to and approved in writing by the local planning authority. The strategy shall: identify those areas/features on site that are particularly sensitive for bats and that are likely to cause disturbance in or around their breeding sites and resting places or along important routes used to access key areas of their territory, for example, for foraging; and show how and where external lighting will be installed so that it can be clearly demonstrated that areas to be lit will not disturb or prevent the above species using their territory or having access to their breeding sites and resting places.

All external lighting shall be installed in accordance with the specifications and locations set out in the scheme and maintained thereafter in accordance with the scheme. Under no circumstances should any other external lighting be installed without prior consent from the local planning authority.

The development hereby permitted shall not be brought into use until a scheme for the installation of equipment to ventilate the premises has been submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented in strict accordance with the approved details prior to the operation of the development and shall thereafter be retained as such.

Reason: To allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 (as amended), policy DP38 of the Mid Sussex District Plan and policy N2 of the NPPF.

14. No operational use of any plant and machinery shall commence until measures have been implemented in accordance with a scheme first submitted to, and approved in writing by, the Local Planning Authority, to prevent air-borne noise from the operational activities of the plant and machinery from adversely affecting neighbouring residents. The applicant shall submit evidence, in writing, agreed by the Local Planning Authority before operational use commences, that the plant and machinery will obtain a sound level of 5 dB below the existing background sound level (LA90) during the operation of the plant and machinery, as

measured one metre from the boundary of any nearby residential dwellings. All measurements shall be defined and derived in accordance with BS4142: 2014.

Reason: to protect the amenity of neighbouring residents and to comply with policies DP26 and DP29 of the Mid Sussex District Plan and policies L2 and P3 of the NPPF.

15. Prior to the development hereby permitted being occupied and used, a Noise Management Plan shall be submitted to and approved in writing by the Local Planning Authority. The Noise Management Plan shall then be implemented as approved.

Reason: to safeguard the amenity of neighbouring residents and to comply with policies DP26 and DP29 of the Mid Sussex District Plan and policies L2 and P3 of the NPPF.

16. No part of the development shall be first occupied until the vehicle parking and turning spaces have been constructed in accordance with the approved plan. These spaces shall thereafter be retained for their designated use.

Reason: To provide adequate on-site car parking and turning space for the development and to comply with Policy DP21 of the Mid Sussex District Plan and CDNP10 of the Crawley Down Neighbourhood Plan, and policies TR3, TR4 and TR6 of the NPPF.

17. The development shall be carried out in accordance with the Sustainability Statement submitted as part of the application. On completion of the development, an independent final report shall be prepared and submitted to the Local Planning Authority to demonstrate that the proposals in the Statement have been implemented.

Reason: To ensure that measures to make the development sustainable and efficient in the use of energy, water and materials are included in the development, in accordance with the NPPF requirements, Policies DP26 and DP39 of the Mid Sussex District Plan, and policy CC2 of the NPPF.

18. No part of the development hereby permitted shall be first occupied until covered and secure cycle parking spaces have been provided in accordance with the approved plans. These facilities shall thereafter be retained for their designated use.

Reason: To provide alternative travel options to the use of the car in accordance with current sustainable transport policies and to comply with Policy DP21 of the Mid Sussex District Plan and policies TR3, TR4 and TR6 of the NPPF.

19. Use of the commercial unit shall be limited to the following times:

Monday to Sunday 8.30hrs to 22:30hrs

Reason: to protect the amenity of local residents and to comply with Policy DP26 of the Mid Sussex District Plan and policies L2 and P3 of the NPPF.

20. No commercial goods or commercial waste shall be loaded or unloaded onto or from a delivery or collection vehicle except between the hours of:

Monday to Friday 08:00 - 18:00 Hours
Saturdays 09:00 - 13:00 Hours
Sundays and Bank holidays, none permitted.

Reason: to protect the amenity of local residents and to comply with Policy DP26 of the Mid Sussex District Plan and policies L2 and P3 of the NPPF.

Informatives

1. In accordance with Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015, the Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
2. The applicant is reminded that, under the Conservation of Habitats and Species Regulations 2017 (as amended) and the Wildlife and Countryside Act 1981 (as amended), it is an offence to (amongst other things): deliberately capture, disturb, injure, or kill great crested newts; damage or destroy a breeding or resting place; intentionally or recklessly obstruct access to a resting or sheltering place. Planning permission for a development does not provide a defence against prosecution under this legislation. Should great crested newts be found at any stage of the development works, then all works should cease, and a professional and/or suitably qualified and experienced ecologist (or Natural England) should be contacted for advice on any special precautions before continuing, including the need for a licence.
3. Your attention is drawn to the requirements of the Environmental Protection Act 1990 with regard to your duty of care not to cause the neighbours of the site a nuisance. Accordingly, you are requested that:
 - o No burning of materials shall take place on site at any time.

If you require any further information on these issues, please contact Environmental Protection on 01444 477292

4. Given the nature of the proposed development it is possible that a crane may be required during its construction. We would, therefore, draw the applicant's attention to the requirement within the British Standard Code of Practice for the safe use of Cranes, for crane operators to consult the aerodrome before erecting a crane in close proximity to an aerodrome. Gatwick Airport requires a minimum of four weeks notice. For crane queries/applications please email gal.safeguarding@gatwickairport.com The crane process is explained further in Advice Note 4, 'Cranes and Other Construction Issues', (available from <http://www.aoa.org.uk/policy-campaigns/operations-safety/>)

Human Rights Implications

The planning application has been considered in light of statute and case law and any interference with an individual's human rights is considered to be proportionate to the aims sought to be realised.

Plans Referred to in Consideration of this Application

The following plans and documents were considered when making the above decision:

Plan Type	Reference	Version	Submitted Date
Location Plan	2116.09		09.12.2025

Proposed Elevations	2116.11		09.12.2025
Proposed Floor Plans	2116.03	A	09.12.2025
Proposed Roof Plan	2116.12		09.12.2025
Site Plan	2116.02		09.12.2025

Eric Owens
Interim Assistant Director Planning and Sustainable Economy

PEFULZ

APPEALS TO THE SECRETARY OF STATE

Notes for Applicants

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months (8 weeks in the case of advertisements, 12 weeks in the case of householder or minor commercial development) of the date of this notice *(see exceptions below)

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on Tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.uk.

- * If this decision relates to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.*
- * If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.*

Biodiversity Net Gain

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition "(the biodiversity gain condition)" that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be Mid Sussex District Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply.

Statutory exemptions and transitional arrangements in respect of the biodiversity gain condition that apply in this instance

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

The effect of section 73D of the Town and Country Planning Act 1990

If planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 (application to develop land without compliance with conditions previously attached) and a Biodiversity Gain Plan was approved in relation to the previous planning permission ("the earlier Biodiversity Gain Plan") there are circumstances when the earlier Biodiversity Gain Plan is regarded as approved for the purpose of discharging the biodiversity gain condition subject to which the section 73 planning permission is granted.

Those circumstances are that the conditions subject to which the section 73 permission is granted:

- i) do not affect the post-development value of the onsite habitat as specified in the earlier Biodiversity Gain Plan, and
- ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat the conditions do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier Biodiversity Gain Plan.

The effect of Paragraph 19 of Schedule 7A to the Town and Country Planning Act 1990

If the permission which has been granted has the effect of requiring or permitting the development to proceed in phases, the modifications in respect of the biodiversity gain condition which are set out in Part 2 of the Biodiversity Gain (Town and Country Planning) (Modifications and Amendments) (England) Regulations 2024 apply.

In summary: Biodiversity gain plans are required to be submitted to, and approved by, the planning authority before development may be begun (the overall plan), and before each phase of development may be begun (phase plans).

Purchase Notices

If either the Local Planning Authority or Secretary of States refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
