Madam,

**Outline Planning Application DM/25/0445: Land at Colwell Farm, Lewes Road,  
Haywards Heath**

I refer to your letter of April 25.

My wife and I wish to comment formally on this application.

We strongly oppose this as yet another proposal for a large-scale development on farmland, intruding and impacting, for the worst, on the nature of the countryside in this part of Mid-Sussex. Already there has been so many large-scale developments in this area around Haywards Heath, Wivelsfield, Burgess Hill, Hassocks and Hurstpierpoint, with others proposed, and I feel it is time to call a halt.

There is already pressure on our fairly narrow roads (especially through villages), local amenities and water supplies and further developments will exacerbate the situation.

This continuing change to the countryside is detrimental to the rural nature and the wildlife of our local area and if it continues at this rate it will transform our locality into suburbia.

Please do not approve this application.

Yours faithfully,
