RECENT PLANNING HISTORY

No relevant history.

SITE AND SURROUNDINGS

6 Hillcrest Close is a detached bungalow. It is constructed of red brick, with white uPVC windows and a pantile roof. The property benefits from off street parking to the front of the property.

The application site lies within the built-up boundary of Scaynes Hill where properties are a variety of ages and designs. Neighbouring properties are located to north and south. The highway is located to the west. An area of woodland is located to the east.

APPLICATION DETAILS

Plans show that the proposed side extension would measure some 6.8 metres in width and some 3 metres in depth. This would have a maximum height of 2.7 metres and a height to the eaves of some 2.7 metres. The extension would have a flat roof, with 2 no. rooflights. It is proposed to use the extension as a kitchen/ living area and an ensuite bathroom. It is also proposed to install bi-fold doors on the side (southern) elevation and a single door on the front (western) elevation. The extension would be finished in materials to match the existing.

It is also proposed to install a single storey porch extension on the front elevation. This would measure some 2.3 metres in width and would be some 1.3 metres deep. This would have a flat roof and would be finished in materials to match the existing.
