MID SUSSEX DISTRICT COUNCIL

DM/25/1275

**7 Thornhurst, Burgess Hill, West Sussex, RH15 0BF, , ,
Oak - Thin regrowth by 25 percent.
Mr And Mrs Andrews**

Permission is sought for the works as described.

This application has been the subject of a pre app visit.

The tree is a mature specimen located in the rear garden. It has been consistently and regularly reduced over the years, which has resulted in a dense, hedge like appearance. There is little/no public visibility.

It is hoped that the works will result in a less dense crown, which will reduce the weight and allow more air and light to filter through. Works will compliment previous reductions and should significantly reduce regrowth.

Permission is recommended.

Decision: Permission
