Subject: Wyndham Farm Visit

Dear Peter,

Many thanks for facilitating the visit this morning. I have spoken to my Senior Planner Andy Clarke regarding the two issues and his views are as follows:

- In respect of the Stable Staff Accommodation - MSDC invite the owners to apply for a Lawful Development Certificate to regularise its use.
- In respect of the caravan, on the understanding that it is used solely as guest accommodation for 8 weeks of the year – MSDC do not intend to pursue this matter further.

Please advise me of your clients intentions at your earliest convenience.

Kind regards

Jon
