Dear Luciana

Thank you for your email.

I have reviewed the submitted information for this application and **neither a Design and Access Statement or a Heritage Statement** have been submitted with the application.

Please advise if you consider these to be essential in the determination of this application. If they are required I can request that the application is made Invalid, pending their receipt.

For your information Amended Plans for the proposal have been discussed with the Conservation Officer. I am currently awaiting her formal comments ahead of their submission. Upon their receipt I will reconsult Historic England.

Thank you.

Dear Anna

I am currently reviewing this case to provide you with our statutory advice. I have been unable to find the DAS and the HS among the submitted documents on your planning portal. Can you please confirm whether these documents have not been produced by the Applicant or whether they have not been uploaded yet.

Many thanks

Kind regards
Luciana
