Dear Sir or Madam,
We have received a Notification of Planning Application this morning relating to

23 Meadowcroft Close
East Grinstead
West Sussex
RH19 1NA

Application NO: DM/26/1655

My husband and I have studied the plans that have been proposed.

Our objection to the plan is that the rear extension will be protruding beyond our extension and indeed beyond the others in the Close.

If the side door has glass, then it would need to be opaque glass and not clear glass.

Thank you for taking our comments into consideration.
