Dear Anna,

I hope you are well.

I am writing in relation to the current planning application for 11–14 Hett Close, Ardingly, Haywards Heath, West Sussex. Our client has asked whether it would be possible to include the replacement of the existing Velux roof windows at 13 and 14 Hett Close as part of the current application.

We would be grateful for your advice on whether this amendment could be incorporated within the scope of the existing application.

Please let us know if you require any additional information at this stage.

Kind regards,

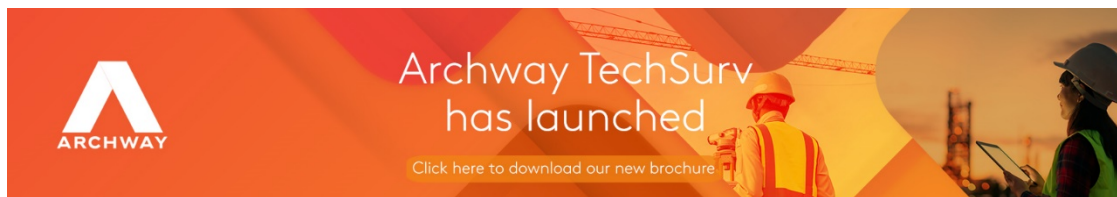

Laura Hanton
