Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I think a semi detached house is unsuitable on noise grounds to the adjoining property. This change of use would be far better with a detached property. If this planning is passed I would like to see noise conditions attached. A noise management plan and steps taken to sound insulate to the neighbouring property. This property features a loft

conversion and in my view this area is going to provide extra noise transmission.

Kind regards
