Customer Details

Address: Highcroft Court Sharpthorne Road Sharpthorne

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Currently the village experiences electric outages along with water supply issues so to allow 108 homes to be built is beyond belief. As we head towards a greener planet all houses being built should have renewable energy installed during construction. I would like to see the planning proposal reversed and the 108 homes to have solar panels

Kind regards
