- (D) The Owner has made the Application for Approval to carry out the Development
- (E) On 16 May 2025 the District Council issued the Approval.

- (G) As required by the Habitats Regulations, the District Council, as competent authority has undertaken a Habitats Regulations Assessment of the implications of the project for the SPA in view of that site's conservation objectives. The District Council concludes the Development with mitigation would not have an adverse effect on the integrity of the SPA and considers that suitable contributions towards the Joint SAMM Strategy and the SANG Strategy are therefore required.
