Dear Mr Chandler

I am writing as Case Officer for the above application for listed building consent, which I am the process of writing up with a recommendation for approval, to seek your agreement to a slight change to the description of development from '*...retrospective repair works...*' to '*...partially retrospective repair works...*' to accord with the fact that the works applied for are not yet completed.

I would be grateful for your agreement to this by return email, so that I can hopefully get the decision issued within the current target date, which is tomorrow.

Kind regards,

Emily Wade
