Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application due to the fact that the whole of Freeks lane needs to be upgraded the most used part is from the entrance at Maple Drive close to the school. For the whole winter

parents and children have had to walk through thick mud or huge puddles to get to school. It seems like the residents who have already bought homes with the expectation that new schools would be built in the area have been forgotten about as I guess you can't make any money from that.

Kind regards
