Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The application site is an existing dwellinghouse (Use Class C3) that has been in continuous lawful residential use since its construction pursuant to planning permission 04/02331/FUL. No change of use is proposed, and the property will remain within Use Class C3. A Lawful Development Certificate is sought to confirm that the proposed replacement of the windows and front entrance door constitutes Permitted Development under Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). Full Permitted Development rights were restored to the property by planning permission DM/21/2246, dated 24 September 2021, which removed Condition 22 of the original planning permission.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed replacement of windows and front entrance door falls within Permitted Development under Schedule 2, Part 1 of the GPDO 2015 (as amended), involving no structural alterations or changes to existing openings, form or massing. Condition 22 of the original permission 04/02331/FUL, which had removed Permitted Development rights across the estate, was formally deleted under decision DM/21/2246 (24 September 2021), fully restoring those rights to this address. A Lawful Development Certificate should therefore be granted.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- ☐ Yes
☒ No
