Reasons for comment:	
Comments:	I still have seen nothing new that will convince me ,this will not be detrimental to the village , Looked at the proposed street screen and the new building will central to my view from my conservatory and my garden ,how high is this building going to be be ,it will dwarf the pub and surrounding properties it's already on a slope so will tower over

the willows and 13 brookhill road ,it's out of character of housing
on Brookhill Road .the path on that bit of Brookhill Road is small
,and that's without the shop and the car park in copthorne bank
,the pub needs major surgery ,end of!!

Kind regards
