Hi Kate

Discharge of planning conditions 8, 10, 12, 13 and 14 relating to planning application DM/23/2699

I'm writing regarding the above conditions discharge application.

In respect of condition 14 (lighting), neither myself nor my environmental health colleague could see details within the submissions regarding the measures to ensure the sports lights are switched off when not in use. Could this detail be provided please. Apologies in advance if I've missed this.

Regards
