Dear Triconnex,

**INSET APPOINTMENT – A191 Isaac's Lane - Burgess Hill, Holmbush Avenue, Abbotsford,
Burgess Hill, Mid Sussex, West Sussex RH15 8ZJ**

Thank you for your NAV site status query. Upon reviewing the proposed boundary map as provided in your request (and as shown in diagram 1), we have not identified any Southern Water served properties for waste services and are therefore satisfied that the site appears to be unserved.

I hope this provides the necessary information to enable you to progress your NAV application. Please note that the information provided is indicative and is based on the best data currently recorded. No liability for negligence is accepted by Southern Water Services Limited for any error or inaccurate or omission, including the failure to accurately record the location of any asset.

Yours sincerely,

James Hopkins
NAV Billing & Relationship Manager
