Reasons for comment:	
Comments:	I fully support this planning application. This family are nothing but an asset to our community, working long and difficult hours to provide a service to the village. I am saddened that a NEW local business has objected to this application for fear, I assume as loss of business. We should all support each other in our village community and build the services on offer to everyone who lives in Handcross and neighbouring areas. The more services available the more likely people are to use the high street!

Kind regards
