Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Not only is there congestion at times due to cars queueing up to get into McDonald's blocking one lane, there will be an increase in rubbish from discarded wrappings, and anti social behaviour from youths loitering in the vicinity, and unwanted anti social behaviour from cars. There is very little police attention to the area presently and this will blight the area further.

Kind regards
