Reasons for comment:	
Comments:	These changes make no difference. The landscape remains harmed not to mention the harm to areas heritage. Many things remain unaddressed ie flooding has not been considered, roads cannot cope and accompanying plans remain unconfirmed. This rush to get OPP on land that isnt even in the district plan shows

total lack of consideration to surrounding area and residents. Not to mention the on going issues regarding lack of services, doctors, schools. We cannot keep building 100's of houses and expecting existing infrastructure to cope!! Please think about the impacts.

Kind regards
