Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We live opposite McDonald's and we already get teenagers running around our flats car park causing a disturbance, vandalizing, booting at doors, throwing ketchup and leaving McDonald's waste/rubbish about. If it becomes 24 hours there will be increased noise and anti social behaviour in unsocial hours leading to an impact on residents such as loss of sleep and disruptions. There are also bedrooms overlooking McDonald's which will

cause light pollution as making this 24 hours will change the dynamic of a relatively quiet road over night with late night customers, deliveries, vehicles using the drive through. We already get the delivery drivers (Uber eats etc) pulling up on our curb and drive blocking our entrance to run over the road and pick up deliveries, they also don't abide by rules of the road and pull in to the 'no entrance' part of st James road to skip the 1 way system, this could lead to increased accidents etc.

Kind regards
