Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	East Grinstead Hockey Club fully supports this planning application. The club hosts a wide range of high-attendance activities, including Premier League fixtures, Talent Academy sessions, and numerous junior events throughout the year. These events attract significant numbers of players, officials, and spectators, resulting in considerable demand for parking in the immediate vicinity of the East Grinstead Sports Club. The provision of additional car parking spaces adjacent to the site would greatly assist in accommodating this demand, helping to alleviate congestion, improve safety, and enhance the overall experience for visitors and participants.
