[REDACTED]
Good evening Mr Horrell,

I have recently seen the application DM/26/0872 relating to the extended hours to McDonalds on the one way system in East Grinstead. I have 3 objections to this. Firstly id the traffic which is already bad enough during the day, there is no control from McDonalds to prevent traffic backing up down the A22 toward Moat Road which we cannot accept on a 24/7 basis. Secondly is the growing anti social behaviour, which this will only serve to encourage, there is a group of young "car meet" locals who speed around the 1 way system at all hours distilurbing residents all round town as well as groups of locals and aggressive youths who already linger at McDonalds on a regular basis intimidating citizens. Neither group, for the sake of those local to McDonalds or the town community itself, can be allowed access to what would effectively become a 24/7 hang out for them to cause anti social noise, race around the 1 way system and intimidate anyone decent enough to challenge their behaviour. Lastly a 24/7 take away is ill becoming of our town, this is not a city, you and the other councilors owe it to the town of East Grinstead to keep it is it is and permit day time trading only, the night time here is peaceful and we WILL fight to keep it that way.

Kind regards, [REDACTED] 75D London Road, East Grinstead, West Sussex, RH19 1EQ

[REDACTED] local resident.
