Reasons for comment:	
Comments:	I feel that this would be a good thing for our local community, and further a field, due to the very substantial economic impact the main IAS event that Saint Hill put on each year has on East Grinstead and surrounding areas not to mention the rest of the UK. There is also the charity aspect of the IAS event that raises many many thousands of pounds each year for local charities. On top of all of this there are also a handful of events that Saint Hill put on each year that this application will facilitate. These events are where my friends and I (and many other locals) meet each other and spend time socially.

Kind regards
