Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	No objection to the Flats but there are already 3 convenience stores in the village we do not require another one, also if this goes ahead I would have thought at least one of the existing ones would close due to the competition also the Post Office store has just gone through a major refurbishment and is much improved at it would be wrong to take customers away from it after they have made thses improvements. Another factor is the traffic in the

village is bad enough this would only increase it, especially with more heavy delivery lorries. The car park for the Prince Albert pub should be improved for use by the whole community.

Kind regards
