Reasons for comment:	
Comments:	This is a really badly thought out plan. There are already THREE convenience stores in the village, there is no need for FOUR and two to be side by side. Insufficient space for parking is allocated and by the nature of the business proposed, vehicles will be frequently moving and this is all on a busy junction. This will cause traffic chaos.

Refurbishment of the run down pub and building of flats would be the best use of the pub garden and car park.

Kind regards
