Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The village already has 3 convenience stores one of which is next door to the proposed development. The development will significantly increase traffic at the Copthorne Bank/Brookhill Road junction where there has already been several accidents. There will not be enough room for delivery lorries for the proposed store without causing issue to local residents.

Kind regards
