Reasons for comment:	
Comments:	We REALLY do not need another store nintendo the village. Not only with congestion caused buy yet more cars and deliveries in a part/junction of the village if there's a issue it will come to a standstill especially with the extra through traffic from the new estate as cars are not allowed to access it from Shipley bridge lane. Also the current convenience store has just had a large sum

of money invented in a refit. Investment in the local park for the kids, speed humps and speed cushions are what is required.

Kind regards
